

For business owners who already create videos

You made the video. Get the words that help sell it.

Paste your video's transcript and your booking link (optional). About a minute after you confirm your email, you'll get:

- ✓ 4 title options that clearly communicate your video's value and give viewers a reason to watch.
- ✓ A ready-to-use description that explains what your video covers and how viewers can work with you.
- ✓ Your booking link at the top of the description, so interested viewers know exactly where to take the next step.
- ✓ Video chapters that organize your content and help viewers find what matters to them.
- ✓ 3 moments that could work as Shorts, with timestamps (we point them out; making the Shorts is our \$47 service).
- ✓ A quick check of your video's title, the top of its description, and its chapters.

Free. One draft per person, channel and company.
